

MCU, IC and FFC section

Main->Upper

Do not replicate this is just a visual representation of how it should look on the external PCB

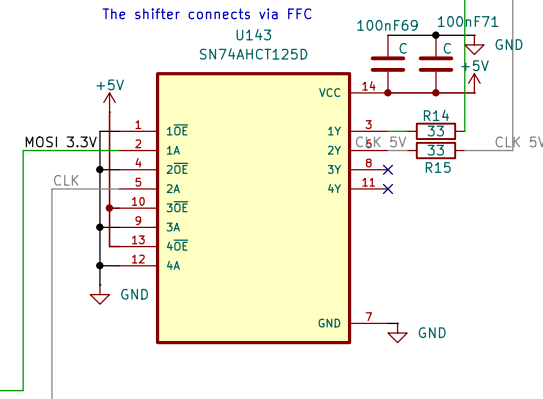

Upper PCB

File: Upper_PCB.kicad_sch

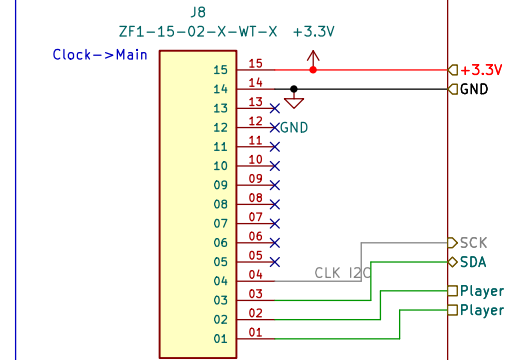

Main->Clock

The shifter connects via FFC

Clock PCB

Do not replicate this is just a visual representation of how it should look on the external PCB

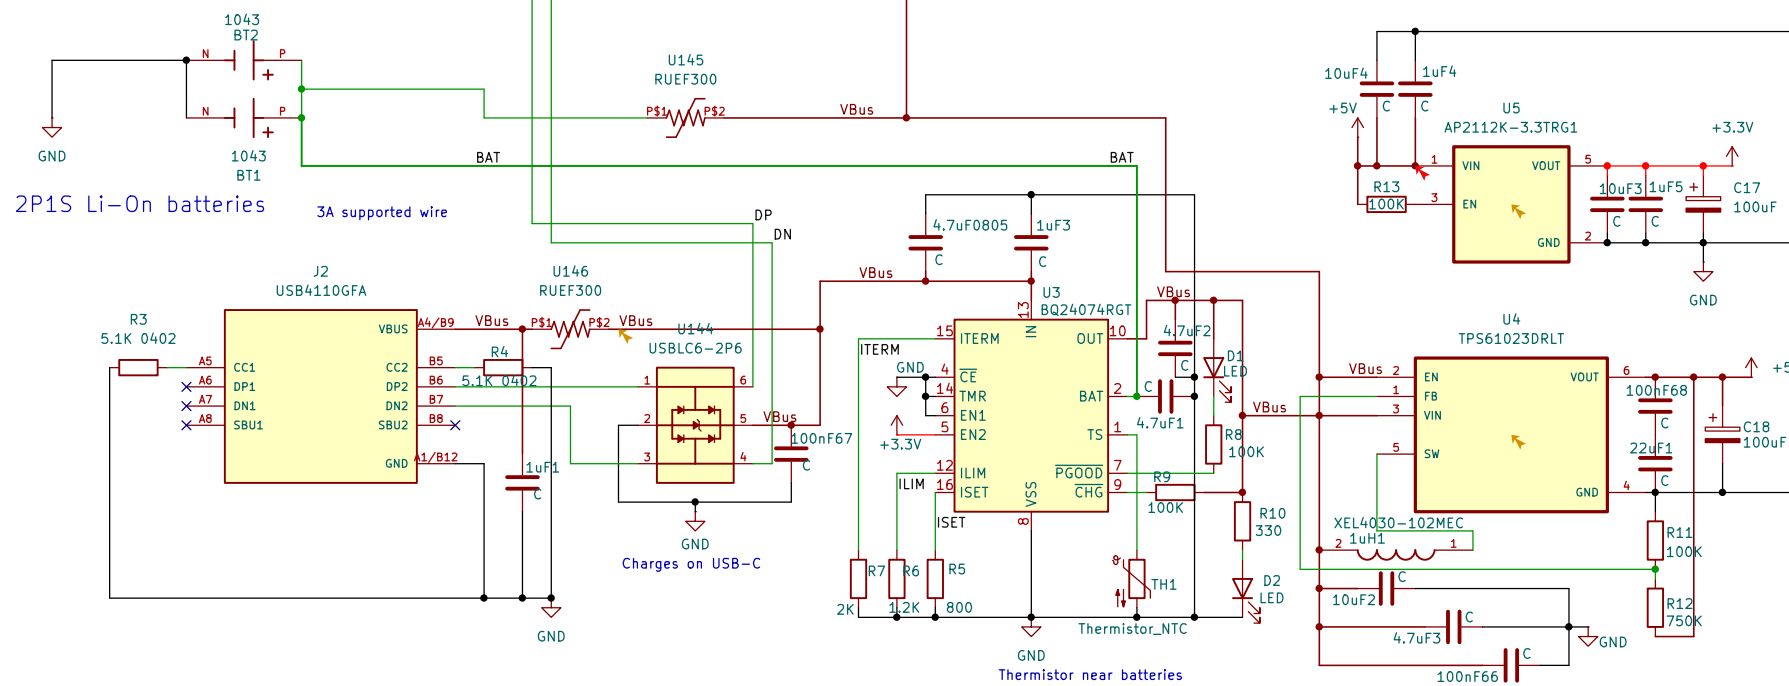

File: Clock_PCB.kicad_sch

Power management

2P1S Li-On batteries

3A supported wire
